**COMPLAINT**

Do you want a jury trial?

Yes  No

Write the full name of each defendant. If you need more space, please write "see attached" in the space above and attach an additional sheet of paper with the full list of names. The names listed above must be identical to those contained in Section II.

**NOTICE**

The public can access electronic court files. For privacy and security reasons, papers filed with the court should therefore *not* contain: an individual's full social security number or full birth date; the full name of a person known to be a minor; or a complete financial account number. A filing may include *only*: the last four digits of a social security number; the year of an individual's birth; a minor's initials; and the last four digits of a financial account number. See Federal Rule of Civil Procedure 5.2.

## I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal-court jurisdiction in your case?

- Federal Question
  - Diversity of Citizenship

**A. If you checked Federal Question**

Which of your federal constitutional or federal statutory rights have been violated?

- (1) Abuse of Power
  - (2) Retaliation
  - (3) Discrimination + Persecution
  - (4) Targetting

**B. If you checked Diversity of Citizenship**

## **1. Citizenship of the parties**

Of what State is each party a citizen?

The plaintiff, , is a citizen of the State of  
(Plaintiff's name)

(State in which the person resides and intends to remain.)

or, if not lawfully admitted for permanent residence in the United States, a citizen or subject of the foreign state of

### III. STATEMENT OF CLAIM

Place(s) of occurrence:

Brooklyn, New York, NY

Date(s) of occurrence:

11/22/20 - 11/27/20

#### FACTS:

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

Mr. Donald Trump please do not spend precious time raging about a "stolen election". Mr. Donald Trump, Trump administration, advisors and House physician worry about my sample taken on May 15<sup>th</sup> 2020 that is used to cure and/or treat COVID-19 virus presently. Stick "em up! The sample used do not match this recipient's sample. The sample used was from my antibodies taken on a train while sleeping by a woman wearing white hazmat gear and facial shield. A great conspiracy and cohorts in crime using my photo identity and genetic identity to steal is a heinous crime too.

This is not one cock-tail or drug it is three. I wrote a mini letter about first sighting

of the "being", a curse and theft of the information,  
by the court and Mr. Trump as a back-up plan.  
I slid the letter through her mail-box - my  
sister's mail-box and left.

I heard a defendant said "You know how much  
time I get away from death."

I could only imagine I heard a boastful evil-doer  
said "Tomorrow I am sitting on your seat - Your  
foundation come down."

One of the defendant had said to another  
INJURIES:

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

Decrease in vision, memory, hearing. Decline health and hygiene.  
Blurry eyes, temple pain, neck pain, chest pain. Blocked paths to  
housing & food & oppression. Stalked, monitored. Traumatized.  
Desolated. Exposure to the elements. Swollen ankles. Rotten  
dirty clothes. harassed. mental pressure. uncomfortable.

#### IV. RELIEF

State briefly what money damages or other relief you want the court to order.

I would like to ask the court to bring in the  
F.B.I., C.I.A. and D.J.A. to investigate.

I would like to ask the court to order the  
defendants restore all what was swindled, and to  
compensate me for creating hardships, stressors, and

"Get me a shoe nah!"

I also heard talk about only one sample extracted.

"There was a reason for the water that was running out my left foot" Jesus said.

The water ran out my foot for about one week.

"Take a shower now and I got a taste of it" are two phrases I heard the defendants used conversating. I heard the defendant said I was a "Slow-coach".

With the neurological damage and head traumas the defendants gave to me "Slow-coach" will be fitting. I would add wise to that "Slow-coach".

The day I was exposed and was experiencing covid symptoms I called the ambulance from a street corner around city hall area I stood by. Wealth is for me but it may not be for monstros who believe they are above the law and cold-hearted robbers.

I remembered the limited conversation so well the day the defendant came into the court to get my covid order and information. After grabbing it I heard an employee said "all greedy".

"I aint hear nothing - I aint see nothing - Sealed lips" I heard the "visitor" said to the employee.

Of coarse, yes, blood money was passed.

Okay, so you came a couple days ago and stole two pens from my belongings in my nook as I slept. The pens are only powerful in the hand of the writer. It is of no benefit to you. You will never be Yonne Frost. You also physically ect my left heel a couple times. The infliction pains and shows me down. These defendants invade my privacy.

It appeared to me Mr Frost was punished.

protests have fast  
problems inflicted by the  
defendants.

because he saw and said "it was not fair".  
A couple days now he has been sleeping amongst a  
pile of garbage bags.

The defendants placed him close distance to/by  
me for continuous connection in extracting money from  
me. After 12:30am this morning I loudly exploded on  
the money extractors on multiple side-walks. I got the  
attention of a federal reserve watchman/police and shouted  
for him to call in the crime to the F.B.I.

I stood to catch my breath by a police car  
after leaving my rook this morning. With the  
window up one officer motioned what "I wanted"  
I said leave your window closed - I want  
nothing. The officer turned on a cellphone that  
stood on a dashboard and rolled down the window.

The officer physically said "what I wanted"  
I got angry and told the officer he knew what  
he just did and should not have turned the  
phone on. As I walked off I said stealing, stealing  
The officers were at it again at Fulton station  
about 6:10am today.

I know for sure the officers above are  
connected to the wrongful action done to Mr.  
Frost. I believe one or two federal reserve employees  
are working in cohorts with NYPD to steal from  
me. My rook is a stone's throw away from  
Federal Reserve. All the surveillance cameras by me  
and surroundings areas gives/tells a complete story  
for the past three to five days.

This is oppression and suppression at the same  
time. There are two pieces of cardboard in the two  
soles of my two shoes. If got holes, I cannot  
afford to buy a new pair. Yesterday my socks

got wet and the cardboards inside the shoe from the rains.

The chair back I sleep on fell apart. I rewear dirty clothes all the time and most times eat from out the garbages. Yesterday I was targeted. A young man extracted money from me for a "meal". He and others were walking around giving out.

I asked him if it was free when I noticed he zapped me with his cell. They all said "Yes it's free". They were on Jay and Utica by down town Brooklyn 11:40 am. It looked horrible I threw it out - regular food - no contents. That was my thanksgiving meal or what I got.

My life has become a living hell more so lately. I cannot breathe. Constant back-riders and stalkers. Harassors and tormentors are never short. I believe it became worse because of the COVID cocktail medical antibody treatment.

All pressure and overwhelming situations around me with no family member to speak too. My family members were taken away from me by the defendants to isolate me. My son was told don't talk to me after being brought from Trinidad by the defendant(s).

This is death. The defendants have killed me over and over and over again. I am a walking dead/tombstone. My children and I need to get into our house. They are scattered far and abroad by the defendants. Every day cannot be the same.

I am holding the defendants accountable of conspiracy, corruption, fraud, inhumane acts, persecution, inequality, abuse of power, retaliation, robbery, dis-

crimination, invasion of privacy, stalking to financially depete, being big bullies and "murderers". My anemia and medical pre-existing condition makes the journey harder more so because it's getting colder.

About three years ago I was told by a higher power that "the life is in the blood". Today I heard "I present my body as a living sacrifice".

I have been saying to God "what else can I give to a God that has/have everything". I have told Him "to take my heart and soul as a living sacrifice on the altar".

I am holding a couple of the defendants accountable of wasting time to financially depete me purposely.
